Your contribution counts...

As 2009 comes to a close, now is the perfect time to make your tax deductible donation to the Arts Council. Your donation provides support for programs including; free, year-round exhibits, outreach programs throughout the community, the African American Music Heritage Project, art and music classes for children and adults, administrative support for local arts organizations and artists, enrichment activities for local school students, public art projects and much more. These programs and projects provide meaningful arts experiences and opportunities for children and adults. Through them, each and every member of our community has access to the arts.

***Secure donations can be made on our website -

Sincerely,
Sarah Merritt-Executive Director
